

73

standard

73 results from blowing liquid glass into a folded and highly heat-resistant ceramic fabric vessel. The resulting shape has a formal and textural expression intuitively associated with fabric, which becomes permanent and rigid as it cools. A flat LED is positioned to fill the resulting volume with diffuse light, accentuating the volumetric perception of the piece.

standard

Lamping

1.5w LED or 10w xenon

Material

blown glass, braided metal coaxial cable, electrical components, brushed nickel or white powder coated canopy

Patent

US Patent # D762,323 S
EU Patent # 002633230-0001 - 0003

standard size pendant
±260-305 (10.5"-12")
oversized pendant
±400 (15.75")
